

Facility Rentals for Private Events

The United States Marshals Museum (USMM) is the newest events venue in Fort Smith and the only one with 180° views of the Arkansas River on the riverfront. A brand new world-class, state-of-the-art facility, the USMM is the perfect location for corporate events, luncheons, professional development training, annual galas, weddings, receptions, conference sessions, proms, and more. With intimate spaces of 650 square feet for small gatherings and up to 13,949 square feet for large events, the USMM has the space you need.

In response to COVID-19, the USMM will follow all CDC and Arkansas Department of Health Guidelines that are in effect on an event date as to capacity, social distancing, and PPE requirements.

 - Capacity -- Based on square footage, 35. Due to a large 14-person board table with chairs that takes up most of the floor space, actual capacity would be reduced. There is an area next to the table that could hold up to two rectangular tables or up to two 6-person round tables with chairs. That area could also be set up to hold a few rows of chairs for open seating.
 - Covid Capacity – 66% Phase II – 23 – With social distancing requirements and the large table, 12 people would be able to meet comfortably in this room.
